

## Jessica Kang

### • Current position:

- Attending Physician, Department of Obstetrics and Gynecology, National Taiwan University Hospital.

### • Specialty:

- Prenatal examination
- Fetal prenatal diagnosis
- High risk pregnancy

### • Education:

- MD, School of Medicine, National Yang-Ming University.

### • Career and certification:

- Fellowship, Maternal Fetal Medicine, National Taiwan University Hospital.

### • Reminder from Dr. Kang:

- Regular prenatal examination will help to reduce perinatal complications. We are living in the era of information explosion, where everyone can reach enormous knowledge through the internet. This may lead to confusion of the expectant parents if inconsistent information were told. Please keep contact with your doctor for further information.
