

Jin-Bon Hong

• Current position:

- Attending Physician, Department of Dermatology, National Taiwan University Hospital.

• Specialty:

- Dermatologic surgery
- Genetic skin disease

• Education:

- PhD, Graduate Institute of Medical Genomics and Proteomics, National Taiwan University
- MD, School of Medicine, National Taiwan University

• Career and certification:

- Attending Physician, Department of Dermatology, National Taiwan University Hospital, Yun-Lin Branch
- Resident, Department of Dermatology, National Taiwan University Hospital

• Reminder from Hong:

- Although modern medical care has its limits, it can do a lot of things. Under the premise of correct diagnosis, it is reasonable and reliable to seek medical "universal treatment". Sometimes the patient skips all procedures and pursues "special treatment" and even arbitrary remedies. It is the farthest road.
