

Chien-Hui Wu

• Current position:

Attending Physician (General Surgeon), Department of Traumatology, National Taiwan University Hospital.

• Specialty:

- Pancreatic surgery
- Minimally invasive surgery
- Pancreatic cancer treatment

• Education:

- PhD Candidate, Institute of Epidemiology and Preventive Medicine, National Taiwan University
- MD, School of Medicine, National Taiwan University

• Career and certification:

- Attending Physician, Department of Surgery, National Taiwan University Hospital Yunlin Branch
- Clinical Fellow (Pancreatic Surgery), Department of Surgery, National Taiwan University Hospital.

• Reminder from Dr. Wu

Diagnosis of pancreatic tumor is complicated.

Pancreatic cancer is difficult to treat and the risk of pancreatic surgery is high. These are all reflected in the final treatment results and patient's survival. With the collaboration of multidisciplinary team, the accomplishment of our hospital is obvious to everyone. Choose the team with most experience and do not rely

on folk medicine.
