

Yu-Wen Cheng

• Current position:

- Attending Physician, Department of Neurology, National Taiwan University Hospital

• Specialty:

- Dementia
- Neurodegenerative disorder

• Education:

- MD, School of medicine, National Taiwan University

• Career and certification:

- Resident, Department of Neurology, National Taiwan University Hospital
- Attending Physician, Department of Neurology, National Taiwan University Hospital Hsin-Chu Branch

• Reminder from Dr. Cheng:

Dementia with its associated disability and behavioral symptoms is often frustrating for patients and families living with dementia. Early identification and seeking medical assistance is important to slow down cognitive decline and minimize functional disability.
