

Yi-Hsing Chen

• Current position:

- Attending Physician, Department of Surgery, National Taiwan University Hospital.

• Specialty:

- Neurocritical care
- Neurotrauma
- Brain tumors

- General neurosurgery

• **Education:**

- MD, School of Medicine, National Taiwan University.

• **Career and certification:**

- Attending Physician, Department of Surgery, National Taiwan University Hospital, Yun-Lin Branch
- Fellow, Division of Neurosurgery, Department of surgery, National Taiwan University Hospital.

• **Reminder from Dr. Chen:**

Symptoms such as headache, dizziness, low back pain, and leg numbness or weakness may seem minor, but they could also be early

warning signs of a more serious condition.

Careful observation and evaluation of these symptoms can help detect degenerative diseases early and potentially slow their progression.
